

## Checklist for Zoo Field Trip

Please be sure your child has what he/she needs for our field trip.

- ✓ Lunch
- ✓ Backpack to carry lunch, clipboard, pencil, snack and water.
- ✓ Appropriate clothing for the weather
- ✓ Sunscreen applied before school

No need to send in a clipboard, pencil, snack and water bottle. Your child will be using their personal clipboard and pencil. We will also be making a special Safari Snack to take along.

Mrs. Czek and I will provide each child with a bottle of Swamp Water. Students will need to record information about certain animals in their Zoo Journal.

***Journals are to be completed while we are on the field trip.***
