Book report #7 due

Swingin' Into Our Studies

Reading: **I Can Do It!**

This week in reading, we worked on identifying the characters, setting and plot of the stories. We also identified the plot and solution. We identified the central idea and key details in an informational text. We also learned about multiple meaning words.

Writer's Workshop: **Sentences**

Writer's Workshop found us practicing how to sound out words and writing the sounds we hear. We worked on using a capital letter at the beginning of a sentence, spacer fingers between words and correct punctuation.

Grammar: **Exclamation**

This week in grammar, we began learning about sentences that have an exclamation mark and the difference between sentences with a period.

**Memory Verse

Progress Reports

Your child will be bringing home their progress report today.

Please sign and date the top, white original and return it by **Wednesday, May 8.**

You may keep the yellow copy and the AR report.

End of Year Party

All parents are invited to our kindergarten recognition celebration on June 4 at 2:40. Each student will be recognized in multiple categories for their outstanding work this year. There will even be a "sweet" category. Our ceremony will conclude with each student walking the red "Carpet" to officially becoming a first grader.

Students will be dismissed upon the conclusion of the ceremony around 3:15.

Super Star Students

Congratulations to Bentley for reaching his 12-point goal in AR. Way to Go! He has earned a free book at our book fair.

Zoo Field Trip

Our field trip is the rainforest and zoo will be on Friday, May 24.

Kindergarten students will not have to pay for their entrance.

Kindergarten students and parents who already paid their entrance fee will receive a paper that includes a bar code. This bar code will be scanned at the Rainforest and Zoo entrances. Ticket for siblings will need to be purchased either on-line or at the box office.

Students will have a Zoo Journal to complete during our visit. Although our visit to the zoo will be fun, our purpose in going is to get an up-close view to the animals and habitats that we have been learning about.

Journals are required to be completed during our time there.

Students are to bring their clipboard and pencil from school. They are to also bring a packed lunch. All items can be put inside a backpack that the children can carry.

We will leave school by 9:15 and arrive back by 3:00. Siblings are welcome to join us.
