

Dear Parents,

As part of our Valentine's celebration, our class will be participating in a special service project. It is called Project Linus. This organization donates blankets that have been made by volunteers to critically ill children and young adults in hospitals in our area.

Our class will be making fleece blankets that will be donated to Project Linus. It is our class goal to have a blanket donated by each family. Please purchase "1 ½ yards" of fleece fabric. I recommend that you take your child with you when you shop and have them pick out the fleece. This provides them with the opportunity to pick out the blanket they will be making for a sick child.

The directions on how to prep the fleece are attached to this letter. Please do not tie the fringes. We will do that during our service project time. We just need to fabric cut and slits made to help us tie the fringes quickly.

We are also in need of parent volunteers who would be willing to help us with the fringes. Please join us on Wednesday, February 14 at 2:30-3:10 in our classroom for this blanket making event.

Please let me know by Friday, February 2 if you are coming in to help.
